***Waves** is an intersectional feminist queer magazine project in greek, written between Athens, Thessaloniki and Berlin. It is being distributed hand in hand among feminist, queer, lgbtqi+ groups and solidararian assemblies, alliances from the radical a/a political scene in Greece and individuals, creating a network of communication, supporting relations and collective empowerment. It is financed through free contribution and its digital form is available in our blogspot: waves.espivblogs.net

1/18. waving this patriarchal world goodbye

New Yorck 59 in Bethanien.

No sexism, racism, homophobia, transphobia are tolerated
